Welcome to Vaels International School

Vaels International School is a unit of **VELS Group of Institutions**, a premier educational group in Tamil Nadu for the last 30 years, which runs 43 educational institutions in varied fields with 39,000 students and 7000 staff members in Tamil Nadu, Telangana and Singapore. The Vels Group of Institutions offer programs from Pre-KG to Ph.D under one roof.

Vaels International School is **affiliated to CISCE (Council for Indian School Certificate Examination)** and CAIE (Cambridge Assessment International Education) holding classes **from Grade III to XII**. The school is functioning at a novel and futuristic campus near the sea front at Injambakkam, the vibrant suburb of Chennai on the East Coast Road, which is an extension of the campus at Sri Kapaleeswarar Nagar, Neelankarai, ECR, where Pre-school, Grades I, II & III classes are held.

The method of active, experiential learning was brought to Tamil Nadu for the first time in Vaels International School since 2004.

Vaels International School is truly international as it also caters to the educational needs of student communities from countries like Japan, Korea, Italy, etc. Sprawling over an area of 5 acres, the school offers the apt physical and social environment to set world-benchmark in quality and child-friendly education.

The school was established to kindle the imagination of children from a very young age as well as provide them a fun and rewarding learning experiences.

Our aim is to create a purpose for learning and allow children to be thinkers, innovators and problem solvers; to orchestrate experiences that will result in a natural and integrated development of knowledge, skill and understanding. We have been leading by example, creating dynamic, caring, learning communities that value 'the whole child.' Our vision is to develop a range of pathways to lifelong learning. Our belief is that all children should have the opportunity to experience the joy of discovery and develop a love of learning.

Preamble

VELS Group of Institutions was established by **Dr. Ishari K. Ganesh**, M.Com., B.L., Ph. D., in 1992 in memory of his father **Shri. Isari Velan**.

VELS Group, with the noble aim of imparting quality education, has started several colleges of higher learning over the years. They include colleges of Basic Sciences, Dental Science, Paramedical Sciences, Nautical Science, Catering & Hotel Management, Engineering & Technology, Teacher Training and Education. They offer practical and job oriented courses to the students hailing from different economic and social background. These institutions attract students not only from Tamil Nadu but from other states and overseas as well.

Besides its involvement in higher education, VELS Group has established **Vels Vidyashram, CBSE Schools** at Pallavaram and Thalambur which have been producing excellent results in the Board examinations.

Vaels International School at Injambakkam has earned a good reputation in a short span of time as it is a part of one of the best group of educational institutions that educates students from pre-school to Doctoral level.

The Vels Group of Schools spread its wings beyond the frontier of India at Singapore. The 'Kindle Kids International School' establishes its roots there and ably supported by the indigenous curriculum developed by our very own team of teachers.

In recognition of the services of VELS Group for the cause of higher education, the University Grants Commission, New Delhi, has granted University status under section 3 of the UGC Act of 1956.

It has been an arduous path, but the rewards are fulfilling. May the flag of Vaels International fly high always!

Dr. Jose Aikara

Chairman, Council For Indian School Certificate Exam, New Delhi

I feel that I stepped into excellent school. We have very few schools in India. You should go on dreaming to go still further and leave a model to the rest of the country and the world. In short the school is excellent.

Steve Waugh
Cricketer

I wish I was a kid again so I would come and learn at your school.

Dennis Garrity

UN Drylands Ambassador & Senior Fellow at The World Agroforestry Centre (ICRAF)

I had the time of my life today! This visit was incredible. These children are so bright and inquisitive! I congratulate you for such a wonderful school and such an amazing student body!

Mr. Krishnamachari Srikanth
Cricketer

Really enjoyed the sports day function. The events were different and very exciting.

Mr. Karthick
Playback Singer

I am absolutely thrilled and blown away looking at these wonderful kids performing. It's a fantastic theme for us, elders, spoken through the kids. A truly wonderful atmosphere. Hats off to the crew behind the evening and am really glad to have been a part of it.

Kamala Haasan
Actor

I wish Vael's Billabong had been started in the late fifties. Never mind at least my daughter is lucky.

Mr. Ravi
IPS Officer

The annual Olympic function held today in this fantastic ground is really amazing and great extra-vaganza. The march-past by the students was excellent and the display of the skills by the students is also very good. This shows the commitment and dedication on the part of school management particularly Mr. Venkatachalam and Mrs. Meenakshi. I wish that this school will come with flying colours in all its endeavors.

Curriculum Philosophy

The school is affiliated to CISCE & CAIE. The CISCE Board allows individual schools autonomy in the area of primary curriculum development during these years of schooling. At every level the curriculum covers the board requirements. The curriculum is experiential, evolving, thematic, engaging, in-depth and extends beyond the boundaries of coverage. The school offers Cambridge Primary (Grade III – Grade V); Cambridge Secondary I (Grades VI & VII); Cambridge Secondary II (IGSCE – Grades VIII, IX & X); “AS” & “A” level (Grade XI & XII). The Vels Group established an R & D Centre to brain-child a Pre-school & Primary curriculum to empower learners to see the world with a new perception, purpose and mission. 2019 has seen genesis of its indigenous and new version of Pre-school and Primary curriculum **“Kindle Kids International Curriculum”**

Club Activity

We, at Vael's, have the following clubs - Creative arts Club, Debate club, Interact club, Coding Club, Music Club, Science Club, Literary Club, Math Club, Humanities Club, Book Club, that allow children to freely participate and do interesting activities. We ensure that every week, one of these clubs come up with educational games and activities every Friday (zero period). We base our club activities on World days.

Children from grades IV to XII participate and are awarded digital certificates for the same as a reward.

Teacher Enrichment Programmes @ Vael's

Improving and sustaining the quality of teaching at Vael's had always been at the forefront. In order to keep up with the evolving pedagogical practices, Professional Development sessions are organised not only to give students the best learning results but also helping the teachers to be more effective and organised. Common practices and ideas are shared between departments to enhance learning outcomes and become better educators, building a classroom of dreams!
